

2020 SHINE Learning Day and AGM

Programme

Thursday 26th November 2020

Morning Session

10am-12pm

Digitisation of physical collections – learning from national libraries

As health library and information services in Scotland continue to face pressures on physical space, join us for an opportunity to find out about digitising physical collections. In this session our guest speakers from the British Library and the National Library of Scotland will share their knowledge about running digitisation projects, and tell us about the roles of information professionals in their organisations. We are delighted that our guest speakers have volunteered their time, so please join us for this learning opportunity to hear from someone outwith our network about their role, their service, and their personal route in to their profession.

1. Introduction and welcome from the Chair of SHINE, Tomas Muniz
2. Guest speakers

Lunch Break

12pm-12:30pm

Afternoon session

12:30pm-3pm

In the afternoon, we will hear from some of our fellow SHINE members, who will share their experiences of working in library and knowledge services over the last few challenging months.

1. Introduction to the afternoon session from the Chair of SHINE, Tomas Muniz
2. Knowledge sharing (each session 20 minutes):
 - a. **Delivering training using Microsoft O365 Teams:** Shona McQuistan, NHS Greater Glasgow and Clyde
 - b. **Building a COVID-19 guidelines app in NHS Lanarkshire:** Amanda Minns, NHS Lanarkshire
 - c. **Redeployment and Resilience:** Fiona Turnbull, NHS Highland

- d. **Is that a pandemic I see behind you? Supporting public health:** Rob Polson, Highland Health Sciences Library
3. Tea break / informal catch up (15 minutes)
4. SHINE AGM
 - a. Chair's report
 - b. Financial report
 - c. Membership report
 - d. Other business

How to Register

- This event will be held via Microsoft Teams
- Please email his.kmteam@nhs.scot to indicate whether you would like to attend the morning or afternoon session (or both) and we will send you a meeting invite for each session
- Deadline for registration is **Friday 20th November**
